My dear Balasundaram Iyer,

Recently Government ~~are~~ were pleased to sanction the proposals sent up by me as regards conditions to be imposed ~~by~~ on the merchants to whom facilities are given to import food stuffs from outside the State. On further consideration, I think it is necessary to insert two additional conditions, viz., a provision to require deposits and reserving power to commandeer food stuffs which are not made available to the public at reasonable rates. The Dewan was pleased to express approval to these additional conditions when I mentioned the matter to him yesterday. I am sending up the draft notice including these two conditions for favour of your kindly obtaining approval thereto.

Yours sincerely,

Krantee

Notice dated, Bangalore, February 1919.

(This profit is for the present fixed at a maximum of one rupee per palla over and above the invoice price plus railway and steamer freights - no allowance will be made on account of shortage, establishment, interest, carthire and other unverifiable charges).

2. Merchants who are desirous of undertaking imports under the above conditions should register their names in the office of the Food Controller and each such merchant

merchant will be given a register number, which should be mentioned in all applications and in all connected correspondence.

3. In case any of the above conditions are violated, the registration will be cancelled and the merchant will not thereafter be given priority certificates for importing food stuffs from outside the State.
